Paritosh Sharan

EXPERIENCE PROFILE

Paritosh brings in his 30 years of rich experience, including 23 years in leading Organisations like **Tata Steel, Satyam Computers, Oracle Corporation, HCL Technologies, and Tech Mahindra.**

During his stint in various companies, he developed his insights through working in various functions/domains which traverse from Manufacturing to Strategy Consulting and from Business Development to Strategic Partnership Management. **In the last 23 years during his various assignments, he has served clients across the globe in all the major Countries.**

Out of his passion for Human transformation, he founded Transhuman Consulting with a fundamental belief that every Human being has unlimited potential, yet hidden and unexplored. This is very much within the reach of every human being to achieve anything he or she desires and work towards it. Transhuman Consulting offers interventions/modalities, which help Individuals / Organisations explore untapped potential within and facilitate the Transformative journey
